## Description

**Steps to Reproduce** :

1. Enter the website: https://www.pawsparadise.ie/contact-us/
2. Scroll down to the "Your Name" field
3. write in the "You Name" numbers: 12345678890
4. Fill in the form and submit the form

**Actual Result** :
I don´t get any notification error regarding the specific area, only a general message that the site can’t go forward but not because of the bug i created

**Expected Result** :
The application should either prevent the user from entering numbers into the "Full Name" field or display an error message indicating that numbers are not allowed
