Environment:

- One plus 11 5G
Android version : 14
- Samsung Galaxy S10
Android version 12

Attachments:

Severity: S3 - Critical

Description

Steps to Reproduce :

1. Enter the app Domino's Pizza
2. Check for accessibility symbols on the screen

Actual Result : There is no any symbol for accessibility tools for people with disabilities.

Expected Result : Expect that the app would be accessible for people with disabilities and would offer them several options to make the use in the app better and easier for them.
