Description

Steps to Reproduce :
1. Enter the website: https://www.pawsparadise.ie/
2. Check the font size and style if it matches the other fonts of the previous tabs of "Doggie Paradise" and "Jump for Joy"

Actual Result :
The tab "VIEW MORE" in the "Dog Grooming" section was supposed to be written
without caps lock

Expected Result :
I will expect that the font style and size will be the same as at the other tabs
and everything is clear and understood
